What are your Affiliate's goals for the next 12 months?

Oklahoma Extension is going through some changes and budget issues. Our main GOAL the next 12 months is stay positive, do our jobs, and make a difference. WE know we will lose some positions and that we will have to make some changes, but we will try to do it with grace and positive attitudes. We believe in our mission and we believe we do make a difference in lives.

What challenges do Cooperative Extension and/or Family & Consumer Sciences pose in your state?

Budget cuts and restructuring for some counties. Some of our counties will become units and some will have positions change.

To assist NEAFCS in future planning and communication, please list concerns your Affiliate has for the NEAFCS Board to address:

WE appreciate the positive feedback and the help with scholarships for meetings and keeping us informed about issues and situations.
