PILD = 2 active members

What are your Affiliate's goals for the next 12 months?

Recruit new colleagues, encourage members to submit proposals to share work on state and national level, support and encourage member's scholarship through organizational transitions, and support and mentor new colleagues.

What challenges do Cooperative Extension and/or Family & Consumer Sciences pose in your state?

UW-Extension has seen a number of changes to our organizational structure, position descriptions and classifications, as well had a high turnover rate through the organizational transitions. The organization is in the process of filling positions so there are many new colleagues. The challenge we face is how to communicate the value of WEAFCs/NEAFCS to new colleagues while budgets are tight, and how do we work with Administration to encourage membership among new and seasoned employees.

To assist NEAFCS in future planning and communication, please list concerns your Affiliate has for the NEAFCS Board to address:
