What accomplishments/progress has your Affiliate made in the past year? (Consider member resources, awards and recognition, public affairs, etc.)

District 4 hosted a state conference in the summer of 2019.

We had 19 Southern Region Award winners and 19 National Award winners recognized at the 2019 Annual Session in Hershey, PA.

We strengthened the bond between the Texas Affiliate and our state's Administrative team.

What are your Affiliate's goals for the next 12 months?

We hope to continue to grow our membership and retain our existing members. As an Executive Board, our goal is to communicate more with the membership through polling, and reevaluate our membership benefits at the state level.

What challenges do Cooperative Extension and/or Family & Consumer Sciences pose in your state?

Legislative funding for the Healthy Texas Initiative was not extended, so programming resources are being shifted around, impacting Family and Community Health Agents and leading to new opportunities.
