**What accomplishments/progress has your Affiliate made in the past year?** (Consider member resources, awards and recognition, public affairs, etc.)

We have steadily increased our membership over the last two years. Our Program Leader is very supportive and is eager to have multiple agents attend annual conference. Since 2023, we have worked hard to make our state conference educational and enjoyable while engaging our members.

We had a Distinguished Service Award recipient this year which was exciting for our affiliate.

**What are your Affiliate's goals for the next 12 months?**

- We aim to have multiple agents apply for awards and submit proposals for annual conference.
- We are planning our state conference for April 2026.
- We plan to support at least 5-10 agents to attend annual conference.

**What challenges do Cooperative Extension and/or Family & Consumer Sciences face in your state?**

Within the LSU AgCenter FCS agents only work under nutrition. With recent SNAP Ed cuts, we have lost many staff members and are working multi-parish/regions. We are well respected in our communities and our partners request our services more often than we can meet the need with less staff and resources.

**To assist NEAFCS in future planning and communication, please list concerns your Affiliate has for the NEAFCS Board to address:**

How to seek national grants to better meet our communities need with the lack of SNAP Ed funding.
