On June 30, I found out that the Administrators Office would be closed on July 1. After consulting an attorney and scrambling around with our representatives from the Administrators, those two women were willing to assume the role of our National office. The board did an RFP and received applications from several firms. It was decided to stay with the two individuals who were former employees of the Administrators.

Also please send a photo of yourself and your board. Names, position and home states of board members.
