

Housing and Home Environment Evaluation Follow Up

Three Months Later Survey - by phone (or mail, if necessary)

This survey is designed to be used three months after the workshop series has been completed. The questions are designed to be used in a phone survey format. If a phone survey is not practical, then the questions can be used in a written survey and mailed to workshop participants.

Script for call:

Hello, (name of participant). This is (your name) with the Cooperative Extension Service. You attended a workshop series (name of program) three months ago. At that time you said you could help us by answering some questions about the program and how it helped you.
